Lavoisier, C. V.
 A complete genealogical, historical, chronological, and geographical atlas; being a general guide to history, both ancient and modern: exhibiting an accurate account of the origin, descent, and marriages of all the royal families, from the beginning of the world: together with the various possessions, foreign wars, battles of renown and remarkable events, to the Battle of Waterloo, and general peace of 1815; according to the plan of Le Sage, greatly improved; the whole forming a complete system of history and geography. From the last London ed., improved by C. Gros and J. Aspin. 3d American ed., carefully rev. and corrected. Enl. by the addition of several new maps of American history and geography, which are brought down to the beginning of the year 1820. Philadelphia, M. Carey, 1820.
